1080

2400x600px

1080x600px

Please stick to these dimensions to get the best experience for your customers. If your banner includes an **Action**, we recommend adding a **button** to the image to show the user that they are clickable. Example banner Actions: 1—**Open Product**: Fill'em Up Burger. 2—**Add Voucher**: welcome-10 for 10% off the customers first order. Adding multiple banners to a location activates the banners carousel.
